EB Classic Data Export	
Description	Provider will provide an export of data from Customer's EB Classic database.
Limitations	Files will be sent as download links via email, which will be usable for 30 days. After 30 days, the files will expire and additional fees are required to provide the files an additional time.

Delivery	**Provider responsibility:**
	Customer will be provided a dump of the EventBooking database in two (2) different files:
	    csv.zip - This contains all of the EventBooking data in standard comma-separate text files that are compatible with Excel and many other programs. Each file corresponds to one of the views.
	    files.zip - This contains all of the documents and attachment files (images, contracts, etc.) that were attached to the various events, accounts, etc.
	
	Customer responsibility:
	Download the files sent within 30 days
