### Streamline Your Team's Daily Tasks

All Payments Centralized

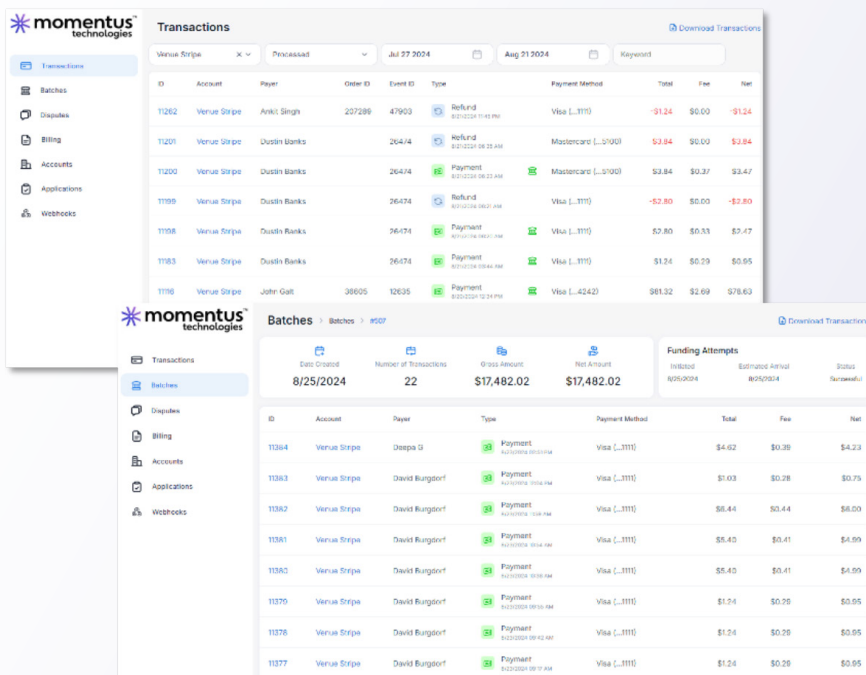

# Enhance Your Buyer's Experience

- Enjoy a fully integrated seamless payment experience.
- Store payment information to reduce friction for future payments.
- Experience card and bank transfers for U.S. (ACH).

# Provide a Centralized Dashboard for Your Team

- Stop chasing customers on payment plans with a buyer wallet.
- Void and refund transactions, and manage disputes.
- Track payments all the way to bank settlement.
- Access transactions in one place, regardless of how and where payments are made.

# Benefits of Momentum Payments

## Seamless Checkout

Provide a secure and seamless checkout experience for your customers with an integrated payment solution.

## Digital Wallet

Allow your customers to save payment methods for future transactions and allow you to process future payments on their behalf.

## Improved Cash Flows

Improve cash flow management by ensuring that deposits hit your bank account more quickly and can be easily reconciled with financial records.

## Automated Reconciliation

Automate payment reconciliation transactions with deposits to reduce manual effort and improve efficiency.

“

**We saved about 5 hours per event. WOW!”**

**Knoxville Convention Center**

**5 hrs**

Time Savings per Event with  
Momentum Payments
